Hi Mary,

I have a 9:30 am meeting with a rep. from the House Budget and Finance and that might last about an hour. A meeting with you all later that afternoon would work or Tues, Wed. or Friday at 10am I am available.

LMK

Thanks,

Tom

I also have a draft of the Plan of Action on the Syngenta incident. Ann was conducting interviews last week with Steven Ogata, so I wrote up a draft for her to review and add more comments prior to sending to you folks.

Roberto: I just saw you email, Ann will provide more details to this draft doc.

Aloha Tom,

Wondering if you are available to talk with us (Patti, Roberto, Scott and me) on Thursday 2/4 at 10:00 your time? We'd like to check in about several enforcement-related issues, including cases sent to the AG, sample backlog, and follow-up to our call last week with DOT.

Hope you are available!

Mary
